Please read the warning below

There are depictions of sex,

So reading this if you're under the age of 18 is prohibited.

Haruka isn't human, he's a mermaid,

And mermaids are both male and female for my convenience

So there's going to be a hermaphrodite

This is a world where mermaids exist. (There aren't many)

BOW
BYE THEN! WE'LL COME SEE YOU AGAIN, HARU-CHAN!

Afterword

Thank you for reading

This totally pointless story about heterologous sex with a hermaphrodite!
I had a lot of fun doing this book.

By the way, it's said that dolphins copulate for 10-30 seconds.
